

Subject: POP Declaration of Conformity

21.07.25

Supplier declaration for the POP Regulation (EU) 2019/1021

Regulation (EU) 2019/1021 on persistent organic pollutants (POPs) lays down binding prohibition and restriction measures for certain persistent organic pollutants.

To the best of our current knowledge, we confirm that the prohibited substances listed in the above-mentioned directives and listed in the current POP candidate list are not used in the products we manufacture.

Christian Hemetsberger
